

GIS / GPS Technician - 1 Year Term Position

Job No: 71137

Location: Drayton Valley, Alberta

- Don't miss this exciting opportunity to live and work in the heart of west-central Alberta!
- Challenging and diverse role that will still provide you with family friendly working hours and a healthy work/life balance
- Enjoy a competitive salary between \$67,460 - \$89,948 with a comprehensive benefits plan.

About Brazeau County

Welcome to Brazeau County, the heart of west-central Alberta! Brazeau County is a land where industry and commerce join forces with outdoor recreation adventures and western culture to create a vibrant and thriving community.

'Welcome Home' is the motto for Brazeau County and we mean it! Brazeau County is a fantastic place to make your home. With a growing economy, beautiful countryside, excellent recreational opportunities and friendly people, we are conveniently located within reach of Edmonton and Red Deer.

About the Opportunity

Brazeau County has an exciting opportunity for a GIS/GPS Technician (1-year term) to join their team in Drayton Valley, Alberta.

Working as member of the IT division, you will assist in the support and maintenance of the IT infrastructure. You will serve as a GIS resource for:

- Spatial data processing,
- Thematic mapping,
- Database management, and
- Data collection and data input for all departments within Brazeau County.

In order to qualify for the role, you will need the following:

- Two (2) year Diploma in Geographic Information Systems technology from a recognized, post-secondary institution (an equivalent combination of education and experience may also be considered);
- Two (2) years related experience in the use of GIS, including spatial data processing, thematic mapping, database management and knowledge of Intergraph GeoMedia, ESRI ArcGIS, AutoCAD Lt., and Microsoft Office and Adobe software;
- Related experience with Global Positioning Systems (GPS) Technology; and
- Experience and knowledge of municipal government operations and familiarity with the Alberta Township Survey System.

Our next GIS/GPS Technician will be an excellent communicator, with high-level interpersonal and organizational skills. In addition to being able to work either independently, or as part of a team in a changing environment, you must be a highly motivated individual with a willingness to learn new technology.

If you are naturally a motivated, courteous, helpful person with a sense of humor, then you'd fit in well with the team. In our bustling environment, the ability to handle stress will serve you well.

If you are an ambitious, action-oriented individual with an excellent work ethic, we want to hear from you!

Please Note: You must be eligible to work in Canada to apply.

About the Benefits

In exchange for your hard work and dedication, you will be rewarded with a highly attractive annual salary between \$67,460 - \$89,948, as well as an extensive range of benefits, including:

- Comprehensive Health Benefits (100% paid by employer);
- 3 Weeks Paid Vacation (to start);
- Professional Development costs covered for approved courses;
- Enjoy a Healthy Work/Life Balance with an 8am-5pm workday;
- Flex Day Program (paid day off every 3 weeks); and
- 2 Wellness Programs - \$300 reimbursement annually and free access to community gym facilities!

You can also look forward to joining an innovative organization with a friendly and family-oriented culture. Working alongside a collaborative team, you will thrive in our inclusive, supportive and professional environment.
