- The ideal candidate will bring substantial hands-on experience, sound judgment and the versatility to perform a wide range of municipal operational duties.
- Applicants with previous supervisory or foreman experience are also encouraged to apply.
- Competitive wages based on qualifications and experience, comprehensive benefits and a 9% matching pension plan are offered.

Qualifications and Experience:

- Experience with municipal water treatment, distribution, wastewater treatment or collection systems
- Experience in municipal infrastructure, public works operations and maintenance
- Mechanical aptitude, building maintenance and troubleshooting skills
- Experience with recreational facilities, including arenas, swimming pools and parks
- Relevant trade qualifications, water or wastewater certifications, or supervisory experience

Additional Requirements and Responsibilities:

- Demonstrated reliability, initiative, problem-solving ability and capacity to work independently with minimal supervision.
- Ability to perform physical labour and work outdoors in varying conditions.
- Strong communication and teamwork skills; ability to use computer programs and mobile applications.
- Operate and maintain municipal utilities and infrastructure; participate in on-call rotation and work a 9-on/5-off schedule.
- Assist with operation and maintenance of the arena, swimming pool, parks and other recreational facilities.
- Operate, maintain and repair municipal vehicles and equipment as required across service areas.
- Opportunities for professional development and certification advancement are available.

Preference will be given to candidates with substantial hands-on experience across several areas of municipal operations or related trades. The Town of Kerrobert is committed to a respectful, safe and collaborative workplace. Only candidates selected for an interview will be contacted.
