Building Inspector / Plan Checker

Check this out

Picture yourself as a Building Inspector/ Plan Checker with a municipality striving to be a *City of the Future!* Using your related experience, you will examine plans and authorize construction for residential, commercial, industrial and institutional projects, subdivision, lot development, and site grading/drainage work. You will conduct site inspections of works and subdivision development to ensure compliance with BC Building Codes and City approved subdivision bylaws and guidelines.

Qualifications

- Building or Architectural Technology Diploma (or equivalent education)
- BOABC certification – Level 3 (candidates with Level 1 & 2 may also be considered)
- Relevant experience in plan checking or building inspection
- Professional Credibility
- Valid BC Drivers License – Class 5

The ideal candidate will demonstrate excellence in customer service, conflict resolution, and use a balanced approach and mature judgment in decision making.

Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities.

Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with an hourly rate progressing from \$50.66 to \$53.79 per hour for Level 3 plus employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.
