

# BUILD A CITY. BUILD A FUTURE.

## Trades Improver 1 EOCP – Pumps & Controls

*As one of the fastest growing cities in Canada, City of Surrey is a globally recognized leader in building vibrant, sustainable communities through technology and innovation. City of Surrey employees are talented innovators, inspired by meaningful work and the opportunity to drive our city—and their careers—forward. Build a City. Build a Future at the City of Surrey.*

### EMPLOYMENT STATUS

Regular Full-Time (CUPE)

### SCOPE

Reporting to the Wastewater, Stormwater & Construction Operations Manager, the Trades Improver 1 (EOCP) position involves manual and skilled tasks with considerable physical effort in performing a variety of civil and utility construction, operations and maintenance activities related to water, sewer, and drainage systems.

### RESPONSIBILITIES

- Installs water, sanitary, storm sewer mains, services connections, and related infrastructure.
- Assembles pipes together ensuring that tees, bends, crosses, valves, services, and related fittings are properly installed.
- Installs water services using open trench, trench-less methods, or a combination of both.
- Operates (open/close/flush/repair) water valves on water mains and on water services and appurtenances.
- Maintains records, logbooks, and activity sheets, as required.
- Adhere to applicable safety regulations.
- Adhere to Surrey's policies, procedures, and standards.
- Works with map books and construction drawings.
- Inspects and maintains inspection chambers.
- Cleans and secures work area by shoveling and sweeping.
- Deals with various chemicals related to water and sanitary sewer systems.
- Uses a variety of hand and power tools.
- Responds to trouble calls and inquiries from the public.
- Assists crew members in performing their duties.
- Other job-related duties as assigned.
