

JOB POSTING

Job Title:	Municipal Finance Analyst	Division:	Municipal Finance
Location:	Mississauga, ON	Hours of work:	40+ hours per week
Job Type:	Full Time	Salary Range:	To be discussed

Watson & Associates Economists Ltd., one of Canada's leading economics consulting firms, located in Mississauga, Ontario, is seeking to fill the full-time position of Analyst, in the highly **specialized field of municipal finance**. Our firm is primarily Ontario-based, serving municipalities, school boards, senior levels of government and private landowners.

The preferred candidate will ideally have a minimum of one to two years of relevant work experience in **research, analysis and financial/economic modeling, preferably within the public sector**.

The Analyst will work within the firm's Municipal Finance Division assisting Consultants and Project Managers on a number of diverse assignments related to subjects such as development charges, fiscal impact assessments, user fees, water and wastewater rates, and asset management planning. The position requires advanced computer spreadsheet and modelling skills (i.e. Microsoft Excel). Strong written and oral communication skills, problem-solving, presentation and quantitative analysis skills are also necessary.

At Watson we foster and encourage a culture of growth and advancement - highly motivated, self-starting team players, with the ability and desire to manage multiple priorities in a fast-paced, professional office environment are encouraged to apply. Remuneration will be commensurate with experience, knowledge and abilities.

Interested applicants should provide a covering letter and resume by October 20, 2019.
