

## **WATER/WASTEWATER SUPERVISOR**

---

The City of Port Colborne, located on Niagara's South Coast on the shores of Lake Erie, at the entrance to the Welland Canal, within the beautiful region of Niagara, has become an investment destination – where water meets road, rail and air enabling investment to reach their business targets. Port Colborne has found the perfect balance that extends to you what you expect life to offer: successful industrial and business sectors, beautiful and scenic residential areas, and a thriving festival and entertainment scene that includes, live theatre, white sand beaches, our world class Sugarloaf Marina and unique shopping districts in a heritage filled area and along the Welland Canal. A great place to work and raise a family!

Due to a retirement, the City of Port Colborne is seeking an energetic and motivated professional with superior leadership, communication, problem solving, computer and customer service skills who works well in a fast-paced environment and can help drive the corporation forward in accomplishing the goals and strategic direction set by Council.

The Water/Wastewater Supervisor reports to the Manger of Operations and is responsible for the management of all City owned water distribution, wastewater collection, storm and groundwater pumping stations infrastructure operations and maintenance.

You are a supervisor in a municipality with ten years experience in the operation and maintenance of water distribution, wastewater collection and storm sewer systems. You have a Class 2 MOE Water Distribution and Wastewater Collection licence. You are a Certified Engineering Technologist with a Class 2 Ministry of Environment Licence in Water Distribution and Wastewater Collection.

This position participates in an on-call rotation.

Salary range: \$77,945.50 - \$87,741.47 (\$37.47 - \$42.18 per hour) plus a competitive benefits and pension package.

For full details, please see the job description available at: [www.portcolborne.ca](http://www.portcolborne.ca).
