

CAREER OPPORTUNITY –DIRECTOR CORPORATE STRATEGY AND INNOVATION

Reporting to the Chief Administrative Officer, the **Director Corporate Strategy & Innovation** is responsible for leading the Region's corporate strategic planning function, overseeing priority corporate initiatives, and for providing advice and support to the Chief Administrative Officer (CAO), and the Corporate Leadership Team (CLT) in the resolution of wide range of Regional business issues that are often highly sensitive and confidential in nature.

RESPONSIBILITIES

1. Supports others in the development and management of relationships between the CAO, Corporate Administration, and internal/external stakeholders, to ensure services and activities support stakeholder needs, and plans and initiatives are implemented and managed.
2. Working with the CAO, translates strategic objectives identified by Council into operational strategies and initiatives and coordinates implementation efforts amongst the division
3. Provides leadership in enabling strategic change and corporate vision to stimulate advances in governance, accountability, and the implementation of best practices.
4. Manages, coordinates and facilitates executive, business support and public relations activities for the CAO.
5. People Leadership Accountable for medium to long range people resource planning for the division, determining ideal organizational structures, identifying desirable role and skill mix requirements and ensuring ongoing work quality and deliverability of results..

EDUCATION and KNOWLEDGE

- Post-secondary degree in Business, Public Administration, Accounting, Finance or related discipline or an equivalent combination of education and experience.
- Master's degree in Business, Public Administration or related discipline is preferred.
- 10 years senior management and leadership experience over multiple related disciplines; strategic business planning/visioning, performance measurement, stakeholder relations and fiscal accountability/sustainability.
- Extensive experience as a transformational leader of complex enterprise-wide projects or strategic operational reviews within a large organization.
- Extensive experience in setting strategic direction and managing or leading large-scale transformational change initiatives and delivery of programs that create service improvement and efficiencies
