Serving a diverse urban and rural population of more than 475,000, Niagara Region is focused on building a strong and prosperous Niagara. Working collaboratively with 12 local area municipalities and numerous community partners, the Region delivers a range of high quality programs and services to support and advance the well-being of individuals, families and communities within its boundaries. Nestled between the great lakes of Erie and Ontario, the Niagara peninsula features some of Canada's most fertile agricultural land, the majesty of Niagara Falls and communities that are rich in both history and recreational and cultural opportunities. Niagara boasts dynamic modern cities, Canada's most developed wine industry, a temperate climate, extraordinary theatre, and some of Ontario's most breathtaking countryside. An international destination with easy access to its binational U.S. neighbour New York State, Niagara attracts over 14 million visitors annually, as well as a steady stream of new residents and businesses.

Please note that the Niagara Region requires that all newly hired employees are to be fully vaccinated against COVID-19 as a condition of being hired and provide proof of full vaccination, or provide proof of a bona fide medical or Human Rights Code exemption on a form issued from and approved by Niagara Region.

### **JOB SUMMARY**

Coordinate the activities of a fleet repair facility and lends assistance to the Supervisor as directed. Perform all aspects of motor vehicle and equipment maintenance and repair pertaining to the municipal fleet. Undertake diagnosis, preventative maintenance, repairs, safety inspections, and other related maintenance duties. Input information into systems and databases with accuracy.

### **QUALIFICATIONS**
