With a population of 32,097, Parkland County offers a range of municipal services and a vibrant mix of agricultural, residential, industrial and recreational opportunities. This unique rural area is situated on the west outskirts of Edmonton, just 20 minutes from downtown, and stretching over 2438 sq. km. of picturesque landscapes. We are currently inviting applications for a:

SUPERVISOR, SAFETY CODES SERVICES

(Permanent, Full-time)

Parkland County has a permanent, full-time position available within the Planning & Development Services Department for a Supervisor, Safety Codes Services. Reporting to the Manager, Development Planning & Safety Codes, the Supervisor, Safety Codes Services oversees the day-to-day operations of Safety Codes compliance and inspection services including the supervision of the Safety Codes Officers and Safety Codes Administration staff. The Supervisor, Safety Codes Services ensures compliance monitoring is performed so that buildings and systems are in compliance with the Alberta Building Code, referenced standards and associated regulations for elements of public safety governed under the Safety Codes Act and the requirements of the Safety Codes Council.

QUALIFICATIONS:

- A Journeyman Trade Certification with five (5) years of relevant experience in the building construction industry; or Certified Engineering Technologist with three (3) years relevant experience in building construction; or be an architect or professional engineer (civil or mechanical) with three (3) years relevant experience after degree in the building construction industry is required.
- Minimum of six (6) years' experience conducting safety code inspections for residential, commercial and industrial structure is required.
- Previous supervisory experience is required.
- Must meet the prequalification educational and relevant experience requirements for Safety Codes Officer in the building, electrical, plumbing, gas or fire discipline as prescribed by the Alberta Safety Codes Council.
- Completion of certification as a Safety Codes Officer at a top level in one or more of the following disciplines: Building, Electrical, Gas, Plumbing or Fire. Must be prepared to maintain the required certification and upgrade training in the discipline and levels of certification required for the position in accordance with the requirements of the Safety Codes Council.
- Must be professional, self-motivated and have the ability to work independently in a team environment, and have excellent coordination, work scheduling and time management skills.
- Excellent writing and verbal communication skills, strong interpersonal skills and strong computer skills including Microsoft Office.
- Possession of a valid Alberta driver's license and satisfactory driving record.

Competition Number:	21-63
Rate of Pay:	\$94,724 to \$118,406 per annum.
Hours of Work:	7 hours/day; 35 hours/week
