### OPPORTUNITY

As Alberta's 'Botanical Arts City', St. Albert is a community renowned for its botanical arts, its commitment to a green lifestyle and the cultivation of activities that provide for a well-rounded quality of life. Our employees provide over 66,000 residents with high-quality programs and services and are proud to contribute to making St. Albert one of the best places to live in Canada.

The City of St. Albert's Recreation and Parks department is accepting applications for a Recreation Infrastructure Service Technician. The team is seeking to fill one permanent full-time position.

As a Recreation Infrastructure Service Technician, you will be responsible for providing general maintenance, repair and upkeep of recreational facilities and equipment, including aquatics-related equipment and processes such as water chemistry or chemical-feed systems and building operational machinery such as heating, air conditioning, ventilation, and plumbing. The City of St. Albert operates a multipurpose leisure centre (Servus Credit Union Place), two year-round indoor aquatic complexes (Fountain Park Recreation Centre and Landrex Water Play Centre), as well as two seasonal outdoor facilities (Grosvenor Park Outdoor Swimming Pool and Woodlands Water Play Park).

The Service Technician supports infrastructure operations ensuring compliance with Alberta Building Codes, Alberta Health Pool Standards, and Occupational Health and Safety legislation. The work encompasses completing preventative and ongoing maintenance/repair which can include Aquatics equipment and chemistry, minor carpentry, Plumbing, HVAC including filter replacements. As well, the incumbent will be required to first level troubleshoot emergent issues in all areas of Aquatics or Building Maintenance. The Technician plays a key role in the annual start up and shut down of outdoor aquatic facilities, as well as yearly planned maintenance during scheduled closures of areas within recreation facilities.

The individual we are looking for has demonstrated mechanical aptitude, good communication and team work skills, and want to contribute to a team passionate about creating great guest and visitor experiences.

### QUALIFICATIONS

- A minimum of 3 years related experience.
- Swimming Pool Operator Level 1 is preferred.
- Building Maintenance related certification is preferred, such as the following:
  - Electrical, Plumbing or HVAC trade certification;
  - Building maintenance / Operations Certificate (or similar);
  - Facility Management Certificate (BOMI Canada) Designation;
  - Other related technical, aquatics or facility maintenance education may be considered.
- Experience with plumbing, HVAC, pool operations, mechanical control and security systems is preferred.
- Proficient in the use of MS Office programs, software for automatic building controls and computerized maintenance management systems.
- A valid Class 5 Drivers License and a personal vehicle for work use is required.
- Experience working in an aquatic environment is an asset.

### HOURS OF WORK

Compressed work schedule of 72 hours bi-weekly, within a 7 day per week schedule, with a regular day off [RDO} every two weeks. This position require flexibility to accommodate day, evening, and weekend shifts on a rotating schedule. This position also participates in an 24/7 on-call support program.

### COMPENSATION

\$48,196 - \$57,522 per annum. In addition, the City of St. Albert offers a generous and comprehensive benefit package.

**The successful applicant will be required to obtain a satisfactory police information check.**

**Qualified applicants are invited to submit their cover letter and resume via the City of St. Albert employment website [www.stalbert.ca/employment](http://www.stalbert.ca/employment)**

### CLOSING DATE

**May 8, 2022**

We wish to express our appreciation to all applicants for their interest and effort in applying for this position. However, only candidates selected for interviews will be contacted.
