Close Date

August 12, 2023

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

An exciting and challenging opportunity exists for a permanent, full-time Lead Hand - Utilities Maintenance position in our Utilities Division at the City of Kamloops! In this role, you will provide supervision to several Equipment Operator, Pipefitter/Layer, and Utility Services Operator positions. The work involves planning, scheduling, supervising, and participating in the installation, maintenance, repair, and inspection of water, sewer and drainage infrastructure. If you share our values and are Trusting, Health Conscious, Cooperative, Inclusive, Purposeful, and Resilient, apply today!

The successful candidate must have the following qualifications:

1. Completion of secondary school or its equivalent.
2. Completion of BC EOCP Level I Certification in the following:
 - Water Distribution Systems
 - Wastewater Collection Systems
3. Valid Class 5 BC driver's licence or equivalent.
4. Three months' previous experience writing service requests and work orders.
5. Minimum three years' previous experience installing, repairing, or maintaining water, sewer, and drainage infrastructure.
6. Minimum three months' previous experience supervising crews installing, repairing, and or maintaining water, sewer, and drainage infrastructure.
7. Completion of BCMSA Utility Locator Specialist course or equivalent.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. This is a CUPE local 900 position.

A comprehensive benefits package is included with this position.
