Position Overview

The City of Kamloops is seeking a permanent, full-time Climate and Sustainability Planner to collaboratively lead a variety of corporate and community projects to advance the implementation of the City's Community Climate Action Plan. The successful candidate will be passionate about researching and supporting low-carbon electrification initiatives, developing community-based social marketing and engagement strategies, instituting climate governance policies, and much more! If this sounds like a career that interests you, apply today!

The successful candidate must have the following qualifications:

1. Completion of a degree in Public Policy, Community Planning, Sustainability, Energy Management, Environmental Studies, Resource Management, or related field.
2. Minimum of three years of energy management or sustainability related experience, in the public or private sector with a minimum of two years experience in relationship management, including experience leading, facilitating, and engaging stakeholder groups.
3. Proficient in advanced Word, intermediate Excel, and intermediate PowerPoint, as demonstrated through testing (70% pass rate required).
4. Valid BC Driver's Licence - Class 5, or equivalent.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position. This is a CUPE local 900 position.
