

PLANNER II

COMPETITION #23EX47

Position Summary:

The City Of Nelson is seeking applicants for a Planner II position to work within our Development Services team.

Reporting to the Director of Development Services and Climate Leadership. The Planner II will be a professional who is innovative and self-motivated, with a focus on customer service. Skill sets will include excellent research and analysis skills, proficiency, and effective written and verbal communication skills. A solid knowledge of planning principles, statutory requirements, bylaws and regulations applicable to municipal planning are required for this role.

Success in this role will be defined by providing innovative, economical, sustainable, and suitable solutions to assist the City of Nelson in becoming the #1 Municipality based on the value of service.

Setting:

Located within the traditional land of the Sinixt, Ktunaxa and Sylix peoples, Nelson is traditionally known for its beautiful setting, a vast array of recreational activities, pristine parks and vibrant downtown. It is a year-round playground for outdoor enthusiasts and those who love the arts, culture and small-town feel, with big-city amenities like high-quality schools, post-secondary institutions, regional health care, numerous golf courses and a competitive cost of living.

Essential Qualifications:

- A university degree in Planning or a university degree in a planning-related discipline (Geography, Urban Studies, etc.) is required. A Master's degree in Planning or a planning-related field is desirable.
- A minimum of two years of directly-related progressively responsible experience in municipal planning and subdivisions.
- Member of the Canadian Institute of Planners
- Current valid BC Driver's License with a good driving record.

Compensation: \$81,700 - \$86,000

Hours/Days: Full-time position, 37.5 hours per week which consists of regular business hours, Monday - Friday.
