

Competition #V1647 Operations Engineer (Full-Time, Exempt)

Closing Date: 4:30pm, Friday, August 23, 2023

The Sunshine Coast

If you have ever been to the Sunshine Coast, you know how amazing it is! If you have not had the pleasure, you really should check it out. Bordered by rugged mountains and blue ocean waters, situated on a peninsula (not an island) in the traditional lands of the shíshálh and Skwxwú7mesh First Nations, this area is known for its mild winters, beautiful surroundings, arts, and culture. With all the amazing recreation at our doorstep, it is not just a preferred tourist destination, it is also a great place to live, work, and play.

Position Overview

The Sunshine Coast Regional District is currently inviting applications for the exempt full-time position of Operations Engineer. We are looking for an experienced person to join the team. Under the general direction of the Assistant Manager, Utility Engineering, the Operations Engineer provides leadership and engineering support to the divisional engineering in a range of engineering design, environmental projects, subdivision and development referrals and project management related to operational and capital projects in the Infrastructure Services Department.

Compensation and Hours of Work

This full-time exempt position includes an annual salary ranging from **\$95,215** up to a merit maximum of **\$120,923**. This position includes vacation that starts at 4 full weeks, and a full benefits package that commences upon employment. Benefits include extended health and dental coverage, paid sick leave, family responsibility leave, short-term disability, group life insurance, eyewear, eye exams, long term disability benefits and accidental death and dismemberment coverage. We are currently operating in a hybrid work environment with flexible work schedules based upon a 35-hour week, all by mutual agreement.
