## Finance Systems and Planning Manager

### Join our dynamic team!

Help create Kelowna as a *City of the Future*. We are currently looking to hire a Finance Systems and Planning Manager to help Financial Services in directing the strategic planning process, establishing, and overseeing governance frameworks and ensures alignment with organizational objectives, and ensuring corporate and financial systems can meet evolving business demands.

This position will provide project management guidance, technical expertise, direction, and leadership for ERP projects and general systems configuration/administration to support identified business outcomes.

### Qualifications

Candidates should have a bachelor's degree in a related field along with post-graduate studies in project management. Thorough, theoretical, and practical knowledge of project management best practices as defined by the Project Management Institute or other broadly recognized project management institution is required. The successful candidate will have excellent communication, teambuilding, and interpersonal skills to effectively supervise staff and build strong working relationships and partnerships with internal and external stakeholders.

Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. These exempt positions offer a salary range of \$102,000 to \$120,000, employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.
