

Utility Planning Engineer Regular Full Time

About Us

One of BC's Top Employers, the City of Coquitlam offers meaningful career opportunities to make a difference within the local community. As the sixth largest city in BC, we are home to more than 150,000 residents. Our diverse municipality is a great place to work as it continues to grow through innovative urban design, inspiring arts, culture and recreation programs, and state-of-the-art transportation systems. Our brand is built on managing our resources in a responsible and sustainable manner, while supporting a vibrant, growing regional urban centre. We envision a bright future in Coquitlam that we hope includes you!

About You / What We Are Looking For

Reporting to the Utility Planning Manager, this exciting new position is responsible for utility planning projects related to water, sewer, and drainage infrastructure. As Coquitlam is a rapidly growing City with an exciting mix of densification and greenfield subdivision expansion, this is a unique time and opportunity for you to grow and develop your career.

Working with engineering consultants as necessary, you will assess system capacity through hydraulic model analysis, make minor hydraulic model updates, and make recommendations for infrastructure replacements / upgrades. These models will support you as you work with Development and Public Works staff to review development applications and identify servicing requirements. You will also work with your supervisor and other City staff to develop project and program budgets, and prepare municipal and regional utility planning reports as necessary. Working with other City staff, you will review integrated watershed management plans and recommend associated improvement projects.

Minimum Qualifications

- 3-5 years of related experience with water resources
- Completion of a degree in Civil Engineering, Water Resources or a related engineering field
- Professional Engineer in the Province of British Columbia or eligible and willing to register with EGBC
- A valid BC driver's license or equivalent is required

Preferred Qualifications

- Experience in hydraulic modelling for water, sanitary, and drainage systems
- Master's degree in Civil Engineering, Water Resources or a related engineering field
- Experience in a municipal environment

What We Offer:

This excluded position has an annual salary range of \$109,539 - \$123,217 (2024 rates). The rate of pay is based on a variety of factors including qualifications, knowledge, experience and skills.

You will have the chance to join a rapidly growing and diverse team dedicated to supporting the local community, and be able to engage in variety of learning and development opportunities. Additionally, there is an opportunity to participate in an earned day off/flex day program. This position is based in Coquitlam with some flexible, hybrid work options available. The City offers an attractive vacation and extended benefits package, including the ability to contribute to the Municipal Pension Plan.

Accessibility / Equal Opportunity Employer

The City of Coquitlam is proud to be an Equal Opportunity Employer working towards enhancing equitable practices in our recruitment and retention processes. As an organization we are committed to creating an inclusive work environment to support our growing and diverse work force. To learn more about what equity, diversity, and inclusion means, and the City's efforts in support of these principles, please visit coquitlam.ca/edi for more information.

If at any time during the application or recruitment process you require additional assistance or an accommodation, please contact our team for confidential support. Staff can also provide in-person support if required.

Applicants under consideration may be required to undergo a police information check (with no adverse reports).

Good people make Coquitlam great, sign up for career alerts through our recruitment portal to stay up to date about opportunities within our team, or follow us on [LinkedIn](#) to learn more about how #YouCouldWorkHere too!

Please apply online at www.coquitlam.ca/careers by 11:55 pm on March 4, 2024.

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
