

DISTRICT OF SAANICH  
INFORMATION TECHNOLOGY

**STUDENT GIS TECHNICIAN**  
**Temporary Full Time Position**  
(4 months: May - Aug with possible extension to Dec 2024)

Are you passionate about GIS? The District of Saanich is seeking a motivated and solutions-oriented Student GIS Technician to join our Information Technology Department and we want you to apply! The successful candidate will support the ongoing development, maintenance and expansion of a municipal GIS enterprise geodatabase. This position assists with GIS duties including data capture, compilation, storage, manipulation, topology, analysis, map content publishing, cartography and reporting.

Working closely with the IT GIS team, you will have the opportunity to support important municipal initiatives and learn important and practical GIS skills. Initiative examples include Field Maps capture of Park asset inventory, compilation of Bicycle Routes, and improving Address spatial accuracy in GIS. This work requires a solid foundation in GIS theory and ArcGIS desktop tools (ArcGIS Pro), strong problem-solving skills and strong attention to detail. This is a challenging and rewarding position where mentoring is offered while learning, collaboration, and innovation are encouraged.

Requirements include: One year of post-secondary education; enrolment in a full time post-secondary education program is mandatory; preference will be given to those enrolled in a Geography or Geomatics program at a University or Technical Institute; knowledge of GIS theory, principles and methods; experience using Esri GIS software; and one month work experience. An equivalent combination of education and experience may be considered.

The successful candidate will work Monday to Friday from 8:30 a.m. to 4:30 p.m. in the office with occasional work outside.
