

BUILD A CITY. BUILD A FUTURE.

Business Systems Analyst (Functional Application Analyst 2)

The City of Surrey has launched a three-year Action Plan to address the delivery of housing and support affordable housing projects that aims to increase new housing by 27.8% in our city. This action plan is supported by the \$95 million Housing Accelerator Fund (HAF) that was awarded to the City by the Canada Mortgage and Housing Corporation (CMHC). The Housing Accelerator Fund (HAF) will help improve the development approval process through an action plan designed to:

- Facilitate the delivery of housing in the short and long term;
- Enhance the certainty in the permit approval process;
- Increase access to affordable housing;
- Continue to support the development of complete communities that are sustainable and inclusive; and
- Further position Surrey as a destination for investment.

Help us deliver on Surrey's Action Plan. If you're looking for meaningful work that will directly impact the communities we live in, apply this job opportunity today.

SCOPE

The City of Surrey is looking for a group of Business Systems Analysts (Functional Application Analyst 2) to join the Business Improvement Team to help facilitate over \$1.5 Billion dollars of construction annually. Our team is committed to providing leadership, analysis, guidance, support, and training of the City's Land Management System (AMANDA). Working in Agile project teams, we focus on continuous improvement to streamline workflows, increase efficiencies, and create innovative solutions in the land development workspace.

Projects include:

- Improving the Guaranteed Permitting Timelines
- Enhancing Professional Reliance
- Enabling Digital Permitting
- and more

EMPLOYMENT STATUS
