Environmental Services Engineering Assistant I Full Time, Temporary/Seasonal Position

Position Overview

Reporting to the General Manager of Environmental Services or designate, the Environmental Services Engineering Assistant I is a 4-month temporary/seasonal position. The Engineering Assistant I is responsible for assisting the overall Environmental Services department for services with Infrastructure, underground utilities and above-ground structures.

The Environmental Services Engineering Assistant I will assist in the preparation and quality control Inspections for the Environmental Services capital and maintenance programs during the summer months.

Qualifications

The ideal candidate will have completed Grade 12 and pursuing completion of a credential in a related engineering or environmental technology field or an equivalent combination of education and experience.

The applicant should have excellent knowledge of Microsoft Office suite programs and filing organization and storage.

Previous construction experience would be an asset.

A valid Class 5 or 7 BC Drivers' License is required.

Additional Information

The hours of work are Monday to Friday, from 8:30 am – 4:30 pm, with one hour for lunch. This position will be conducting field work in Fort St. John. Office time will be split between the Dawson Creek Warehouse and a Fort St. John location.

The after-probation rate of pay for this union position is \$29.43/hr, plus 14% in lieu of benefits.

We thank all candidates for their interest, however, only those selected for interviews will be contacted.
