

Engineering Utilities Coordinator (Permanent, Full-Time) - 1296

Close Date

April 7, 2024

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

Are you a Technician, Technologist or an EIT looking for a career with a reputable employer where you can use your technical skills and knowledge to build a sustainable community? Join our Engineering team with the City of Kamloops as an Engineering Utilities Coordinator and play a pivotal role in optimizing our infrastructure and utilities systems. If you're ready to take on a rewarding challenge and contribute to the success of our team, we want to hear from you!

If you are looking to join a diverse team of driven individuals who take pride and have a vision to make the City a better place, we have a lot to offer. We have modified work schedules, opportunities for learning and advancement, possibility to work extra time, emphasis on your well being and safety, and a competitive benefits package.

If you share in our corporate values of resiliency, purpose, trust, inclusivity, health conscious, and cooperation, and are interested in contributing to the development of our community in a meaningful way, then the Engineering Utilities Coordinator may be the position for you!

The successful candidate must have the following qualifications:

1. Completion of a two-year computer aided design and drafting program or a two-year diploma in civil engineering.
2. Must be certified as a Civil Technologist (AScT) or a Civil Technician (CTech) with the Applied Science Technologists and Technicians of BC; OR Must be registered with the Engineers and Geoscientists of British Columbia (EGBC) as an Engineer-in-Training (EIT).
3. Minimum six months' previous supervisory experience.
4. Minimum five years' related experience in municipal government and/or private consulting.
5. Minimum two years' experience in using WaterGEMS or PCSWMM or similar software.
6. BC Driver's Licence - Class 5.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position. This is a CUPE local 900 position.
