Job Overview

The Township of Langley is currently recruiting a regular full-time **Project Engineer (one position total from #24-U010 and #24-U011)** to join our team of professionals in the Engineering Division, Engineering Services Department. Reporting to the Engineering Services Manager, in this Exempt position you will be responsible for the project management and contract administration of capital and other projects, including preparation of cost estimates, coordination and scheduling, assignment of work to consultants, engineering quality reviews, tendering, and budget control.

Responsibilities

In this role your accountability will include preparation of terms of reference, requests for proposals, evaluations, engineering assignment awards and potential problem-solving decisions during design and construction that are not covered by standards and may set precedents for future projects. This position will prepare MMCD construction documents and specifications for capital projects.

Qualifications

Your education includes a recognized post-secondary degree directly related to the work and eligibility or registration as a Professional Engineer in the Province of British Columbia with a minimum of 5 years related work experience, and progressively more responsible project management. You are enthusiastic, well organized and able to communicate effectively with internal contacts, the community, consultants and contractors. Extensive computer familiarity is required with proficiency in Microsoft Office and knowledge and experience with local government, institutional processes and relevant legislation/bylaws. You have excellent written and verbal communication skills and demonstrate excellence in leadership, problem-solving, analysis and implementation.

Required Certifications/Licenses

Candidates **must** have the following valid and **current** certifications/licenses (must be valid at the time the posting closes) and these **must** be attached with your application.

- Membership or eligibility for membership with the Engineers & Geoscientists of BC (EGBC)
- BC Class 5 (full privilege) Driver's License or equivalent driver's license for where you reside. You must upload a current **Personal Driving Record (select the 5-year option if obtaining online)** that has been obtained within 6 months of the closing date below with your application. To obtain a copy of your **Personal Driving Record**, please contact ICBC directly or the driving authority where you reside. Copies or pictures of your driver's license or Driver Factor Report will **not** be accepted.

Applications without the attached required documents above will be deemed incomplete and may not be considered. Please title your attachments with the number of this competition and have these documents ready to upload when you apply.
