Salary: \$91,579-\$107,135 (2024 rates)

Duration: 2 year contract

How to apply: Submit a current application which includes a current cover letter and resume.

About the City of Welland... At the City of Welland, we're continuously rewriting our story. Not because we don't know where we're going, but because we are constantly reaching for new heights, engaging in new approaches, and pursuing what many believe to be unattainable or too ambitious. At the City of Welland, we're not satisfied with the status quo. And we're certainly not satisfied with doing things simply because that's how they were done in the past.

We expect our population to increase to over 80,000 in the next 20 years, and serving a diverse, growing community requires strategic thinkers, norm breakers, and passionate civil servants. In Niagara, Welland's growth leads every other municipality, and the City is becoming the region's heartbeat. So, we invite you to author your chapter and contribute to the overall body of work the City of Welland is creating. At the City of Welland, your ideas are nurtured, your input is invited, a healthy work-life balance is available, and most importantly, your voice will make a difference. So, if that sounds like something you want to be a part of, we want to hear from you. We're ready when you are.

About the position... Reporting to the Manager, Revenue Services, the Water Meter Data and Billing Supervisor, is responsible for review, confirmation and input of production report data, updating customer information for the water meter change-out program and act as a liaison between the Contractor and the City with respect to meter account information for field crews.
