

Emergency Vehicle Technician

Permanent Full-Time
J0224-0194

The Town of New Tecumseth is looking for an Emergency Vehicle Technician with experience servicing, repairing and maintaining fire vehicles to join our rapidly growing team.

Why work with us?

Our growing community, identified as one of the fastest growing municipalities by Statistics Canada, located about an hour north of Toronto, offers beautiful rural and urban landscapes and diverse opportunities to work in a technologically progressive, public environment.

What we promise:

- flexible work environment, including **compressed work week**
- employer paid health and dental benefit packages from day 1
- competitive salaries
- OMERS pension plan
- free gym membership at Town recreation centres
- professional development opportunities

The Emergency Vehicle Technician is primarily responsible for performing skilled tasks in all aspects of work related to the maintenance and repair of emergency (fire) vehicles. Additional duties and tasks include performing skilled tasks in all aspects of work related to the maintenance and repair of all vehicles, heavy equipment, power equipment, and any other equipment necessary in the Town's fleet.

How you contribute to our organization:

- Perform regular maintenance and repairs on all emergency (fire) vehicles.
- Perform regular maintenance and repairs on all vehicles and heavy equipment in the Town's fleet including, but not limited to snowplows, backhoes, graders, loaders, automobiles, dump trucks, pick-up trucks, street sweepers, sidewalk machines, combination sewer trucks, mowers, small equipment and ice re-surfacers.
- Carry out preventative maintenance inspections and services to reduce department equipment down time and minimize wear on vehicles and equipment and inform the Supervisor of any major deficiencies.
- Perform annual periodic mandatory commercial vehicle inspections (PMCVIs) as per the Ministry of Transportation Motor Vehicle Inspection Station Guidelines.
- Inform the Supervisor of parts inventory to maintain adequate stock to complete necessary maintenance.
- Operate various diagnostic equipment to troubleshoot and repair hydraulic, electronic, drive train and engine problems (such as laptop computers, scan tools and multi-meters).
- Perform service and emergency calls, repairing vehicles or equipment in the field as required.
- Provide input for tender specifications for the purchase of new and replacement fleet inventory.
- Create and maintain accurate records of vehicle and equipment maintenance in accordance with provincial standards.

What you bring to the team:

- Requires successful completion of high school diploma and possession of a Truck and Coach Technician License (310T) and an Automotive Technician License (310S) in good standing with the Ontario College of Trades.
- Requires a DZ licence, and ability to submit a clean driver's abstract upon hire.
- Requires successful completion of Emergency Vehicle Technician training courses.
- Requires valid Standard First Aid with CPR-C.
- Requires 3-4 years of experience as a Truck and Coach Technician performing service, repair, and maintenance on a variety of vehicles, with an emphasis on emergency vehicles.
- Must have good understanding of fleet operations regarding repair requirements, scheduling and maintaining an operating fleet.
- Must be able to provide own tools.
- Must be available to work in a rotational on-call schedule.

Salary: \$72,384.00 - \$90,500.80, plus employer paid benefits and OMERS pension plan
Hours: 40 hours per week, 7:00 a.m. – 3:30 p.m. Monday to Friday, plus rotational on-call schedule
Location: Roads Depot 2 in Beeton
Start Date: June 24, 2024 or ASAP

To apply, please submit a cover letter, resume and copies of the required credentials (high school diploma, licences, first aid certification, etc) by May 29, 2024
