

## Superintendent, Public Works Employment Opportunity

The Public Works department, under the umbrella of the Engineering & Operations division is dedicated to maintaining and enhancing the city's infrastructure to ensure a safe, efficient, and vibrant community. Responsible for a wide range of essential services, the department oversees the maintenance of roads, sidewalks, water distribution systems, and sewer system. By prioritizing sustainability and innovation, the Public Works team works diligently to improve the quality of life for Sarnia's residents and visitors. Their commitment to public safety, environmental stewardship, and infrastructure excellence plays a pivotal role in shaping a resilient and thriving Sarnia.

The City of Sarnia is seeking a dedicated and experienced Superintendent to lead and manage our sewer, water, and roads sections of Public Works.

### About the City of Sarnia

Located at the mouth of the St. Clair River on the shores of Lake Huron, the community of Sarnia is known for its breathtaking waterfront, pristine beaches and beautiful parks system. Situated on the American border, just a short drive from London, Ontario, the community boasts a host of recreational opportunities, state-of-the-art healthcare, a vibrant cultural scene, and excellent education paired with a high standard of living and mild climate.

Ranked the most affordable medium-sized city in Ontario, Sarnia, with its 72,000 residents, is home to over 1,000 acres of parkland and 40 km of trails in addition to 4 golf courses, 16 art galleries, 6 museums, and 3 theatres across the County.

### The Role

Our Superintendent, Public Works leads the planning and delegation, overseeing all operations related to the vital infrastructure domains of Public Works. This role is pivotal in ensuring the efficient, effective, and safe delivery of essential services that enhance the quality of life for our residents. The Superintendent is responsible for ensuring full compliance of all operations with provincial regulations, including city-wide adherence to all drinking water related By-Laws.
