Crime Analyst 2

Scope

The Surrey RCMP detachment is seeking to fulfill a term (6 month) Crime Analyst 2 position. The Crime Analyst 2 position specializes in research work involving the application of research techniques to support highly complex criminal investigative activities, operational programs and crime reduction strategies.

Responsibilities

- Provide statistical, tactical and strategic crime analysis services and intelligence information to management.
- Evaluate and validate intelligence information gathered from various sources while establishing and maintaining working relationships with members, staff and external agencies.
- Assist in the design and planning of projects relative to specific developments or details investigations, participate on project teams to monitor and identify the nature and score of emerging and persistent crime problems, trends as well as deliver presentations, briefings and situation reports on crime trends and related matters.

Qualifications

A qualified applicant will have:

- A degree in a related discipline including coursework in applied research and statistics.
- A minimum of five years of related experience.
- A valid BC Driver's License.
- An equivalent combination of education and experience may be considered.

You must be able to obtain and maintain the relevant level of security clearance throughout employment.

The successful candidate will be required to pass all assessment stages of this recruitment process
