

... a great place to live, work & play

One of the sunniest regions in BC's Lower Mainland, Delta embraces three unique communities - Ladner, North Delta and Tsawwassen. The City of Delta is looking for dedicated individuals to join our team and share in our commitment to lead the way in public service excellence.

ANIMAL HEALTH TECHNOLOGIST

The City of Delta is looking for an auxiliary for our Animal Health Technologist position. This is an auxiliary/casual opportunity with no guarantee of weekly hours. In addition, the Animal Health Technologist will be required to work non-standard hours including evenings and weekends.

The Animal Health Technologist will evaluate the health and well-being of animals in the facility; provide routine examinations and treatments; triage injuries and conditions; determine the need for veterinary consultations or referrals; and liaise with veterinarians to ensure that animals are receiving necessary care and nutrition. The incumbent will also serve as a resource to staff on matters related to animal health and well-being and recommend revised protocols.

The successful candidate will be organized, outgoing, and detail oriented.

The successful candidate will have the following requirements:

- A high school diploma supplemented by completion of a 2 year diploma program in animal health technology, plus related experience, or an equivalent combination of training and experience
- Registered and in good standing with the BC Veterinary Technologists Association
- Experience providing care to animals including administering tests, medications and treatments
- Be legally entitled to work in Canada
- Have a valid Class 5 driver's licence and use of you own personal vehicle is required

The City of Delta provides a competitive salary of \$31.66 - \$37.20 per hour plus 12% in lieu of vacation leave, benefits, and statutory holidays. Interested applicants are requested to apply online at www.delta.ca/employment to competition **#24-155 EX** by **July 10, 2024**.

The City of Delta's Covid-19 Vaccination Policy has been suspended, however, we reserve the right to reinstate it in response to changes in the public health landscape, including public health orders. We are committed to the protection, health, and safety of our employees and our community, and our Communicable Disease Plan and related protocols remain in place.

We thank all applicants for their interest; only those under consideration will be contacted. Preferred candidates will be required to submit a Police Information check.
