****Please note this is a term position to May 16, 2025****

The City of Dawson Creek invites applications for a full-time term Environmental Technician. Under the Direction of the Utilities Manager or designate, the Environmental Technician is responsible for assisting with a range of activities including, but not limited to, developing field sampling programs, creating and maintaining databases, researching, editing, and preparing technical reports, assisting with coordinating and facilitating public events, development and maintenance of databases and performing technical and analytical tasks.

Requirements:

- A degree in Natural Sciences (Environmental Science, Hydrology, Geography, Natural Resource Management, Soil Science etc.), OR completion of a technical diploma in the environmental field with two years of applicable experience.
- Valid Driver's License
- Ability to operate, maintain, and calibrate monitoring equipment and traverse difficult terrain in all weather conditions.

The ideal candidate possesses the capacity to perform all duties in a safe manner while fostering positive relationships with both the public and fellow staff. Please include copies of any relevant certification with your application.

Candidates should submit a résumé by emailing a pdf to resumes@dawsoncreek.ca, **with the job posting name and number in the subject line, no later than 11:59 pm on the closing date referenced above.** The City thanks all applicants for their interest; however, only those selected for an interview will be contacted.

The City of Dawson Creek is committed to accommodating persons with disabilities whenever reasonably possible during the selection and employment process. You must be legally entitled to work for any employer in Canada to be eligible for this position. By applying for this position, you are giving permission for the City to contact your previous employers and references.
