Parks Planning and Design Manager

Join our dynamic team!

Are you passionate about shaping the future of urban landscapes? Do you have a vision for creating vibrant parks and public spaces that bring communities together? If you're a creative and experienced landscape architect, we have the perfect role for you!

What You'll Do:

- Lead the long-range planning and conceptual designs for our city's expanding parks and urban places.
- Oversee the capital program and ensure delivery standards meet our community's needs.

What You'll Bring:

- A degree in Landscape Architecture or a related discipline.
- Professional registration as a Registered Landscape Architect in BC.
- A minimum of 10 years of experience in Landscape Architecture.
- Extensive knowledge of landscape construction methods and park planning principles.
- Leadership and project management skills are highly valued.

Why You'll Love It:

- You'll manage a variety of complex planning projects, driving innovation and urban development.
- You'll be part of a team that values leadership, motivation, and team building.
- You'll navigate through local, regional, and federal regulations with ease, thanks to your knowledge.
- You'll communicate effectively, persuading and gaining cooperation through your interpersonal skills.
- You'll utilize AI and emerging technologies to plan impactful public spaces
- You'll have the opportunity to demonstrate a civic entrepreneurial spirit, generating new ideas and better methods to accomplish tasks.

Our operations are diverse, requiring a variety of positions as well as different levels of skill and education. We value diversity and are committed to an inclusive, accessible work environment where collaboration, understanding and mutual respect bring out the best in all of us.

Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You are only a quick link to the world via the Kelowna International Airport. Grow your career in an organization that supports employee work-life balance and career and professional development. This exempt position offers a salary range of \$126,500 to \$147,500, employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.
