Strategic Transportation Planning Manager

Lead the Strategic Planning process to keep Kelowna moving!

With a vision of becoming the best mid-sized city in North America, the City of Kelowna offers the ideal combination of quality of life and work-life balance in a progressive employment environment.

Taking a fresh approach, the City of Kelowna's Integrated Transportation Department is made up of a group of multidisciplinary professionals that work with Transit, TDM, Shared Mobility programs, Strategic Planning, Technology and Transportation Engineering. If you are interested in being part of a dynamic multidisciplinary group in a progressive environment and want to lead change as our new Strategic Transportation Planning Manager - then we want to hear from you.

Reporting to the Integrated Transportation Department Manager you will be responsible for the transportation planning continuum and the analytics to guide planning decisions. You will need strong report writing and organizational skills to lead the process and collaborate with other transportation managers, regional partners and teams to lead the City's strategic transportation planning in line with the City of Kelowna's Transportation Master Plan.

Qualifications

To be considered for this opportunity you are a transportation professional with progressive experience in multi-modal transportation planning and data analytics. You have excellent communications, planning, project management and leadership attributes to effectively collaborate with internal and external stakeholders to achieve organization objectives and results.

Help create Kelowna as a *city of the future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This exempt position offers a salary range of \$126,497 to \$147,580, employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.
