Position Title: Combo Truck Assistant

Position Status: Full-Time Temporary (This position is to last not later than December 31, 2024)

Department: Liquid Waste Services

Employee Group: GVRDEU

Location: Production Way Operations Centre, Burnaby

Salary Range/ Wage Rate: \$2,949.60 bi-weekly plus 6.25% deferred compensation

Our Liquid Waste Services Department is seeking a Combo Truck Assistant who will be an active and engaged member of the Field Services group, assisting a Combo Truck Driver in the day to day operation of a combo truck. You enjoy physical work in an outdoor environment and are able to navigate the challenges of sewer main cleaning.

You are: self-motivated and committed to workplace safety. You have an interest in sewer system maintenance, combined with professionalism and the ability to maintain a safe, respectful team environment.

This role (*The duties described hereunder are to be representative of the position and are not to be considered as all-inclusive*):

- Effectively and safely operates and/or assists with the operation of the equipment on any one of the above listed trucks as well as equipment on other vehicles as required.
- Performs and assists with the performance of daily inspections as required under BCTA Pre/Post Trip Inspection and completes equipment log books (WorkSafe BC) or any other regulatory requirements.
- Performs light maintenance and operating adjustments of assigned vehicles.
- Reports any mechanical deficiencies immediately to the immediate supervisor and garage for corrective action.
- Performs general housekeeping and cleaning of vehicles.
- Submits activity reports: timesheets, daily logs, purchase card records, work orders, etc.
- Attends safety meetings and various safety training courses as required.
- Attends other training as required for position.
- Assists work group performing duties related to the position as required.
- Picks up and delivers materials and equipment such as: sand, gravel, cement, lumber, steel, pipe, railings, barricades, compressors, pump, generators, etc.

- Flushes and cleans sewer lines, chambers, wetwells, water leaks, reservoirs, wastewater treatment plants, etc.
- Participates with work crews in all aspects of the day-to-day operations and maintenance of the regional water, wastewater and drainage systems as required.
- Provides relief for the Combo Truck Driver as required.

To be successful, you have:

- Secondary school graduation or equivalent training and experience, supplemented with training in maintenance and construction techniques.
- Minimum two years experience working in municipal or regional construction; water and wastewater operation; or maintenance operations.
- Possess or be able to immediately acquire Transportation of Dangerous Goods certification.
- Ability to communicate effectively both verbally and in writing.
- Effectively carry out written and/or verbal instructions.
- Ability to safely operate and service vehicles required for position.
- Working knowledge of proper methods used in loading, unloading and securing material and equipment.
- Working knowledge of the different types of aggregates, sand, gravel etc.
- Working knowledge of procedures for working safely around above ground and underground utilities and services.
- Working knowledge of regional operations and maintenance facilities.
- Working knowledge of the operation of hydrants and high-pressure water lines and familiar with the use of industrial vacuums.
- Understanding of WorkSafe BC regulations and corporate safety policies and procedures applicable to the position.
- Understanding of Metro Vancouver's policies and procedures applicable to the position.
- Physically capable of performing duties.
- Ability to work in an outdoor environment for extended periods.
- Valid B.C. Drivers License, Class 3 with Air Brake endorsement.

Our Vision:

Metro Vancouver embraces collaboration and innovation in providing sustainable regional services that contribute to a livable and resilient region and a healthy natural environment for current and future generations.

At Metro Vancouver, we are committed to cultivating a diverse, safe, equitable, and inclusive work environment for all. We strive to attract and retain a talented, diverse workforce that is reflective of the region we serve.
