

WATER TREATMENT PLANT OPERATOR
Full-Time
Internal/External Posting No. 2024-49

Department:	Operations
Internal/External Posting Date:	July 26, 2024
Internal/External Closing Date:	August 11, 2024
Hourly Rate:	\$33.33 - \$40.66 after probation
Hours of Work:	40 hours per week
Competition No.:	2024-49

The City of Dawson Creek invites applications for all levels of EOCP certified Water Treatment Plant Operators to join our dedicated team. Under the general direction of the Utilities Manager, Senior Operator, or designate, the Water Treatment Plant Operator oversees treatment processes, conducts tests, maintains equipment, and ensures regulatory compliance for safe drinking water and wastewater effluent.

Requirements:

- A valid driver's license.
- Completion of Grade 12 education with chemistry and algebra, or a combination of education and relevant experience.
- Minimum of EOCP Level I certification in one of the following: Water Treatment, Wastewater Treatment, Water Distribution, or Wastewater Collection.
- Clean Criminal Record Check.

The ideal candidate possesses the capacity to perform all duties in a safe manner while fostering positive relationships with both the public and fellow staff. Please include copies of any relevant certification with your application.

Candidates should submit a résumé by emailing a pdf to resumes@dawsoncreek.ca, **with the job posting name and number in the subject line, no later than 11:59 pm on the closing date referenced above.** The City thanks all applicants for their interest; however, only those selected for an interview will be contacted.

The City of Dawson Creek is committed to accommodating persons with disabilities whenever reasonably possible during the selection and employment process. You must be legally entitled to work for any employer in Canada to be eligible for this position. By applying for this position, you are giving permission for the City to contact your previous employers and references.
