## About the City of Sarnia

Located at the mouth of the St. Clair River on the shores of Lake Huron, the community of Sarnia is known for its breathtaking waterfront, pristine beaches and beautiful parks system. Situated on the American border, just a short drive from London, Ontario, the city boasts a host of recreational opportunities, state-of-the-art healthcare, a vibrant cultural scene, and excellent education paired with a high standard of living and mild climate.

Ranked the most affordable medium-sized city in Ontario, Sarnia, with its 72,000 residents, is home to over 1,000 acres of parkland and 40 km of trails in addition to 4 golf courses, 16 art galleries, 6 museums, and 3 theatres across the County. As an organization, the City of Sarnia places a priority on the health and safety of its employees, including a focus on work-life balance through unique vacation and compensatory time offerings, alongside exceptional salaries and benefits including employee and family assistance.

## About the Position

Are you passionate about keeping vehicles in top condition and ensuring smooth public transportation? Sarnia Transit is seeking a skilled and dedicated Licensed Mechanic to join our team. As a crucial member of our transit maintenance crew, you will play a vital role in ensuring the safety, reliability, and efficiency of our public transit fleet.

Advanced troubleshooting skills and a keen ability to inspect, repair, and certify fleet vehicles—whether addressing issues identified during inspections or operating complaints—are critical components of the role of a Licensed Mechanic. These tasks must be performed in compliance with Ministry of Transportation standards and completed in a timely manner.

Becoming a Licensed Mechanic with Sarnia Transit means you'll be an integral part of a team dedicated to enhancing the mobility and quality of life for our community. Enjoy a supportive work environment, competitive salary, and opportunities for professional growth and development.

## **Qualifications**

- Grade 12 diploma or equivalent
- Class G Driver's Licence required; Class D considered an asset
- Truck & Coach Technician (310T) Licence
- Automotive Service Technician (310S) Licence considered an asset
- Ozone Depletion Prevention (ODP) certificate
- Enrolled in the DriveON Inspection Technician Program considered an asset

## **Demonstrated Skills and Abilities**

- Excellent verbal and written communication skills, and ability to communicate and report diagnosis and repairs, including but not limited to work order entries
- Knowledge and competency of the Highway Traffic Act, Employment Standards Act and Occupational Health and Safety Act
- Reliable and cooperative with the ability to work scheduled shiftwork, including evenings and weekends, and availability to be on-call
- Ability to work alone or with minimum supervision
- Excellent communication and interpersonal skills with the ability to work well in a team environment and interact tactfully with the citizens of Sarnia
