

BUILD A CITY. BUILD A FUTURE.

NATURAL AREA PRACTITIONER – URBAN FORESTRY

As one of the fastest growing cities in Canada, City of Surrey is a globally recognized leader in building vibrant, sustainable communities through technology and innovation.

*City of Surrey employees are talented innovators, inspired by meaningful work and the opportunity to drive our city—and their careers—forward. **Build a City. Build a Future** at the City of Surrey*

SCOPE

The City of Surrey's Urban Forestry – Natural Areas team has a unique full-time job opportunity for someone who is interested in applying their varied experience and skills to meet the challenges of assisting in the management of over 1,500 hectares of forest, shrubland, and grassland.

RESPONSIBILITIES

In this position, you will be:

- Supervising, training and reviewing work of junior staff; including assisting with scheduling and ensuring work is included in an efficient and timely manner;
- Assist in administering contracts for Parks Division work;
- Completing a variety of manual and semi-skilled tasks including but not limited to:
 - trail vegetation pruning
 - invasive plant removal
 - planting maintenance (weeding/brushing/mulching)
 - planting native trees and shrubs
 - refuse and yard waste removal
 - tree debris clean-up
 - inventorying assets
- Responding to service requests from the public;
- Preparing reports and maintaining records;
- Working on a team or alone completing heavy physical work in all weather conditions, requiring sufficient physical strength, stamina and coordination;
- Completing other related duties as required.

The successful applicant:

- Is able to work independently as well as in a team environment and must be physically able to carry out the duties as required;
- Is a logical and analytical thinker in problem-solving situations;
- Has superior public relations, interpersonal, communication, organizational and leadership skills.
- Has considerable knowledge of the principles, practices, methods, standards and guidelines used in urban park natural area management.

INTEGRITY • SERVICE • TEAMWORK • INNOVATION • COMMUNITY
