Wastewater Source Control Technician (1 year term)

Join our Water Quality and Customer Care branch as a Wastewater Source Control Technician. This position works with sewer utility customers, monitoring and controlling activities, to protect the wastewater treatment processes at the City's treatment facilities from harmful discharges into the sanitary sewer system. This encompasses the protection of sewer infrastructure, sewer workers, biosolids quality and drinking water sources.

The ideal candidate would have:

- Water Quality Technology Diploma or equivalent
- Service Excellence
- Program Development experience
- Project Management
- Communication Excellence
- BC Class 5 Drivers License

Help create Kelowna as a City of the Future. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with a rate of \$40.50 per hour plus 14% in lieu of benefits, vacation and statutory holidays. This is a term position with an end date of December 5, 2025.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
