

## SENIOR ENGINEERING INSPECTOR Regular Full Time

### About Us

One of BC's Top Employers, the City of Coquitlam offers meaningful career opportunities to make a difference within the local community. As the sixth largest city in BC, we are home to more than 150,000 residents. Our diverse municipality is a great place to work as it continues to grow through innovative urban design, inspiring arts, culture and recreation programs, and state-of-the-art transportation systems. Our brand is built on managing our resources in a responsible and sustainable manner, while supporting a vibrant, growing regional urban centre. We envision a bright future in Coquitlam that we hope includes you!

### What We Are Looking For

We are currently recruiting for a Senior Engineering Inspector to join our Design & Construction team in Engineering and Public Works. This is supervisory technical, regulatory and inspectional work in ensuring that work performed by contactors or municipal crews on various construction or development projects conforms to and complies with specified regulations, standards, contracts, specifications and related requirements.

Main duties include, but not limited to:

- Supervises the work of engineering inspectors (six) carrying out work at the intermediate level;
- Liaises with developers, contractors and others on matters related to development servicing;
- Inspects and regulates municipal utility and road work carried out by contractors;
- Assists with the preparation or updating of existing specifications and standards;
- Oversee compliance with the encroachment policy.

The successful candidate will be confident with communicating with City staff (from various departments), consultants, contractors and working with residents to address emerging issues in a responsive manner while exercising independent judgement on a daily basis.

### Minimum Qualifications

In addition to considerable experience, preferably in a municipal setting, completion of a diploma program in civil engineering technology or a related discipline plus sound related experience, or an equivalent combination of training and experience. Membership (or eligibility) in ASTTBC or approved equivalent is required. Certification as a Public Works Inspector 3 is preferred.

A valid driver's license for BC is also required.

### What We Offer:

This CUPE position has an hourly rate range of \$42.44 - \$50.12. The rate of pay is based on a variety of factors including qualifications, knowledge, experience and skills.

You will have the chance to join a rapidly growing and diverse team dedicated to supporting the local community, and be able to engage in variety of learning and development opportunities. Additionally, there is an opportunity to participate in an earned day off/flex day program. The City offers an attractive vacation and extended benefits package, including the ability to contribute to the Municipal Pension Plan.
