### About the City of Sarnia

Located at the mouth of the St. Clair River on the shores of Lake Huron, the community of Sarnia is known for its breathtaking waterfront, pristine beaches and beautiful parks system. Situated on the American border, just a short drive from London, Ontario, the community boasts a host of recreational opportunities, state-of-the-art healthcare, a vibrant cultural scene, and excellent education paired with a high standard of living and mild climate. Ranked one of the most affordable medium-sized city in Ontario, Sarnia, with its 72,000 residents, is home to over 1,000 acres of parkland and 40 km of trails in addition to 4 golf courses, 16 art galleries, 6 museums, and 3 theatres across the County.

### The Role

Under the direction of the Construction Manager, the Construction Technologist is responsible for preparation of project specifications; project design and ensuring compliance with contract drawings and specifications and provincial and City standards on construction projects; preparation of progress draws and payment certificates; and documentation of construction progress to meet provincial audit requirements.

### Candidate Requirements

- Three-year College/University diploma in Construction Technology or Civil Engineering Technology, and four (4) years of related work experience, or an equivalent combination of education and experience.
- Valid Class G driver's licence with an abstract acceptable to City guidelines
- Knowledgeable in construction inspections and project management related to construction, including preparation of plans, tenders and estimates for projects, setting work schedules, and prioritizing work to ensure deadlines are met
- Understanding and applying municipal and regional engineering standards and principles
- Ability to communicate effectively both verbally and in writing
- Excellent public relations/customer service skills
- Sound written skills with the ability to maintain clear and accurate records
- Proficient in the use of Microsoft Office including Word, Excel and Outlook
- Ability to reading and interpret contract documents/blueprints
- Ability to work in a variety of weather conditions with exposure to outdoor elements, snow, rain, cold weather, summer heat, etc.
- Ability to work flexible hours, and hours in addition to a regular shift including evenings and weekends during active construction periods

#### *Required within 6 months:*

- Must be able to obtain OIT for Wastewater Collection Facility and OIT for Water Distribution Facility

#### *Required within 3 years:*

- Level One Wastewater Collection Facility license and Level One Water Distribution Facility license

## Why Work With Us

The City offers competitive salaries alongside extended health, dental and travel benefits, life insurance coverage, access to our Employee & Family Assistance Plan (EFAP), and enrollment in the OMERS (Ontario Municipal Employees Retirement System) pension plan.

If you thrive in a fast-paced, hands-on environment and are ready to be part of a team dedicated to excellence, we want to hear from you!

We are an inclusive and equitable Corporation that encourages applications from qualified individuals of all genders, persons with disabilities, members of visible minorities and Indigenous persons. Appropriate accommodations will be provided upon request throughout the hiring process as required by the Accessibility for Ontarians with Disabilities Act (AODA) and the Ontario Human Rights Code. Information received relating to accommodation and diversity will be addressed confidentially.

Personal information is being collected under the authority of the Municipal Act and will be used to determine the qualifications for employment with The Corporation of the City of Sarnia. Questions about this collection should be directed to the City Clerk, 255 Christina St. N., Sarnia, ON N7T 7N2, 519-332-0330 ext. 3366.
