

## We're Hiring!

The Municipal District of Bonnyville (M.D.) is looking for an Occupational Health & Safety Advisor to become a part of the Corporate Services Team.

### What this position entails:

- Advising on compliance and interpretation of the Alberta Occupational Health and Safety Act, Regulation and Code and any other relevant legislation
- Promoting, supporting, coordinating and advising in all areas of the Occupational Health and Safety Management System
- Participating in the audit process of the Safety Management System
- Promoting safety awareness and the use of the Safety Management System to reduce, mitigate and/or eliminate hazards
- Participating, supporting, and advising in all areas of the Inspection Process and the Incident Process.
- Conducting and/or coordinating training required under the Safety Management System
- Gather and manage data relating to the Safety Management System and analyze trends

### What we offer:

- ◆ Competitive compensation and benefit package
- ◆ Annual health and wellness allocation
- ◆ One personal day a month, plus 15 paid vacation days a year to start
- ◆ Local Authorities Pension Plan
- ◆ Professional development opportunities
- ◆ Discounts at M.D. Parks & Recreation facilities, including campgrounds and Kinosoo Ridge Resort
- ◆ Collaborative environment fostering respect, ethics, and teamwork

### What makes the M.D. the perfect place to call home:

We are Alberta's Lakeland with more than 80-named lakes and provide excellent recreational activities year-round. We also own and operate 12 lakeside campgrounds and Kinosoo Ridge Resort – a boreal playground nestled on the shores of Cold Lake, offering target golf and an aerial climbing structure in the summer and 42 acres of skiable terrain in the winter. The M.D. offers a unique rural/urban/lakeside lifestyle, with two neighbouring urban centres.
