

Infrastructure Administrator (Permanent, Full-Time) - 1512

Close Date: January 2, 2025

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody everyday. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

Let's make Kamloops shine! Join our team today.

Position Overview

Are you looking for an exciting opportunity where you can work with our IT team members to respond to systems-related and server-related requests, projects and more? If you are passionate about implementing, managing, and maintaining various aspects of the City's infrastructure such as servers, storage, Exchange, Active Directory, Microsoft 365, VMware, and physical, virtual, and cloud/hybrid environments similar to that of a modern Senior Systems Administrator, we encourage you to apply for the role of Permanent Full-Time Infrastructure Administrator at the City of Kamloops!

Being employed with the City of Kamloops allows you to be part of employee well-being programs that include support for mental well-being and physical health through onsite gyms, and a Wellness Works program that focuses on this critical corporate building block. We also offer flexible work opportunities that include work from home and modified work schedules.

Welcome to the vibrant heart of British Columbia, where the majestic Thompson River flows amidst stunning landscapes and a community steeped in history and culture. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit! Nestled in the Thompson Valley and surrounded by the rugged beauty of the Interior Plateau, Kamloops boasts a unique blend of urban amenities and outdoor adventure. From its bustling downtown core, alive with eclectic shops and diverse culinary delights, to its vast network of trails, parks, and recreational facilities, Kamloops offers something for everyone. Whether you're an outdoor enthusiast seeking thrills on the mountain bike trails of nearby Kamloops Bike Ranch, a history buff exploring the city's rich Indigenous heritage at the Secwépemc Museum and Heritage Park, or a foodie delighting in the farm-to-table cuisine of its local restaurants, Kamloops welcomes you with open arms and boundless opportunities to explore, discover, and connect.

The successful candidate must have the following qualifications:

1. Completion of a Computer Science or Computer Engineering degree or an equivalent degree.

OR

A combination of a diploma in a Computer Science related field **AND** Infrastructure or Network Certifications (covering data management and security, cloud computing, networking, and/or Microsoft backend platforms) **AND** 5 years Tier 3 recent experience in a combination of Infrastructure and Network.

2. Minimum two years previous experience that includes managing VMWare, Windows Server Administration and Active Directory and Office 365 Administration.

The anticipated start date for this position is February or March 2025.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position. This is a CUPE local 900 position.
