

CO-OP STUDENT – ENGINEERING

The City of West Kelowna is offering opportunities for students in the Civil Engineering Technology field to gain valuable hands-on experience by completing a 4 or 8-month co-op work term in our Engineering Department.

Infrastructure improvements are a key investment priority for our City. The focus of this position will be to provide support to engineering staff in the assessment, management, and design of our infrastructure systems on a City-wide basis.

REQUIREMENTS:

- Current enrollment in a registered Civil Engineering Technology program at a post-secondary institution
- Must be attending college or university during the last school term and returning to your studies in the subsequent academic year
- Demonstrated computer skills in Microsoft Office
- Familiarity with Engineering application software (AutoCAD, GIS, modeling software)
- Familiarity with basic civil surveying and data collection principles
- Strong customer service skills
- Excellent communication/interpersonal skills – verbal and written
- High attention to detail
- Valid Class 5 BC Drivers License preferred; Drivers Abstract required when applying

The four-month co-op student term will start early May to end of August and the eight-month term will start in May until December working 35 hours/week Monday to Friday. The hourly rate is \$24.43 plus 14% in lieu pay.

Applications are accepted online at westkelownacity.ca/jobs. We thank all applicants for their interest; however, only those selected for further consideration will be contacted.

Competition No. 25-05E | Opens December 20, 2024 | Closes January 27, 2025
