Job Overview

The Township of Langley is currently recruiting for a regular full-time **Engineering Technologist I** (one position total from #25-U008 and #25-U009) to join our team of professionals in the Public Works Division, Utilities Operations Department. Reporting to the Manager, Utilities Operations, in this unionized position you will perform moderately complex engineering technical field and office work in support of utilities operations.

Responsibilities

- Prepare and maintain a variety of infrastructure management systems, databases, technical and status reports, records and related documents and project schedules
- Liaise with a variety of internal and external contacts and provide direction and assistance on engineering requirements and policies as required
- Review plans and working drawings for conformance to project guidelines and established standards
- Conduct field inspections and ensure all work is performed in accordance with contractual terms and regulations
- Perform related work as required

Qualifications

- Graduation from an Institute of Technology with a Diploma in an engineering technology discipline related to the work, including, or supplemented by courses in project management, plus sound related experience preferably in a municipal setting, or an equivalent combination of training and experience
- Considerable knowledge of the methods, practices, materials, tools, and equipment used in construction and installation of municipal utilities
- Sound knowledge of engineering mathematics and municipal engineering plans, specifications, contract documents and of the fundamentals of budgeting and standard costing procedures and sound knowledge of computer applications and of contract law
- Ability to act as a liaison and coordinator for construction projects and applicable Township programs
- Ability to review, analyze, assess, and interpret plans, specifications, contracts and related documents
- Ability to prepare and maintain reports, records and correspondence

Required Certifications/Licenses

Candidates **must** have the following valid and **current** certifications/licenses (must be valid at the time the posting closes) and these **must** be attached with your application.

- BC Class 5 (full privilege) Driver's License. You must include with your application a current **Personal Driving Record (select the 5-year option if obtaining online)** that has been obtained within 6 months of the closing date. To obtain a copy of your **Personal Driving Record**, please contact ICBC directly or the driving authority where you reside. Please note that a copy of your Driver's License and the Driver Factor Report **will not** be accepted.
- Registration or eligibility for registration as a Graduate Technologist within the Province of British Columbia

Applications without the attached required documents above will be deemed incomplete and may not be considered. Please title your attachments with the number of this competition and have these documents ready to upload when you apply.
