

Careers

Parking Analyst

Become part of our growing and innovative Parking Services team as the Parking Analyst. This role performs complex analysis and research to develop and implement plans relating to parking and mobility. This includes the creation and advancement of parking area plans, parking policy, and parking demand management programs. The analyst guides effective parking management using data, analysis, and proactive planning. This position will work closely with internal and external stakeholders to lead the successful integration of our parking principles into an achievable parking strategy.

Qualifications

- University Degree in Planning or other related discipline with specialization in Transportation
- Parking Management Certification (PMC Designation)
- 2 years' relevant experience
- BC Driver's License – Class 5

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly, and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighborhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with a 35-hour work week and an hourly rate starting at \$47.75 per hour plus employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive, and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
