

Engineering Co-op Student

Nelson Hydro - City of Nelson Competition #25EX05

Located within the traditional land of the Sinixt, Ktunaxa and Sylix peoples, Nelson is traditionally known for its beautiful setting, vast array of recreational activities, pristine parks and vibrant downtown. We are grateful for the opportunity to work on this land. It is a year-round playground for outdoor enthusiasts and those who love the arts, culture and small-town feel, with big-city amenities like high-quality schools, post-secondary institutions, regional health care, numerous golf courses and a competitive cost of living.

POSITION SUMMARY:

The Nelson Hydro Engineering Co-op Student will undertake initiatives in system modelling, records management, change management, and capital asset improvements. While many tasks will be computer-based, field inspections will also be necessary. Additionally, the Co-op student will enhance processes by integrating asset and geospatial data into a GIS model and assist in transitioning to a digital document control system to boost productivity and workflows. Aiming to improve system reliability, they will support the execution of capital projects and will be responsible for maintaining project records, drawings, and documents.

ESSENTIAL QUALIFICATIONS:

- Enrolled in a post-secondary electrical engineering program - third or fourth year preferred
- Valid Driver's License – Class 5 or 7

TERM: Starting April 2025. This position is for 4-12 months. Preference for an 8-12 month term position.

COMPENSATION: \$24.50/hr - \$28.50/hr

HOURS: 8 hours per day

DAYS: Monday - Friday

BENEFITS:

- Competitive pay
- Flexibility
- Professional development
- Be part of an innovative and reliable hydroelectric utility providing essential services to our community
