LICENSED ELECTRICIAN

Public Works – Job #P1302

CLOSING DATE: NOON – FEBRUARY 20, 2025

JOB SUMMARY:

This position reports to the Traffic Signal Supervisor under the direction of the Director of Public Works.

This position is responsible for work in the field and workshop in connection with the construction, installation, repair, troubleshooting and maintenance of municipal electrical equipment.

The work involves utilization of tradesmen skills and knowledge in the public works fields.

TO APPLY:

The City of Moncton is an equal opportunity employer. Applicants must submit their application through an online system that can be found at www.moncton.ca/careers. We thank all applicants for their interest; however, only those invited for interviews will be contacted.

For more information, please contact the Human Resources Department at 506-877-7707 or visit www.moncton.ca/careers for information on the hiring and application process at the City of Moncton.

WORKING AT THE CITY OF MONCTON:

Moncton is a vibrant and culturally rich community. It is the first officially bilingual city in Canada, as well as one of the best places in Canada to do business. Moncton is also known as the economic, sports, tourism and entertainment hub of Atlantic Canada. City of Moncton employees strive to maintain the city's reputation as one of the best places in Canada to live, study, work and play.

The work for this opportunity is covered under the Canadian Union of Public Employees Collective Agreement.

[CUPE Collective Agreement](#)
