

# BUILD A CITY. BUILD A FUTURE.

## PARK TECHNICIAN – FABRICATION/WELDING

*As one of the fastest growing cities in Canada, City of Surrey is a globally recognized leader in building vibrant, sustainable communities through technology and innovation.*

*City of Surrey employees are talented innovators, inspired by meaningful work and the opportunity to drive our city—and their careers—forward. Build a City. Build a Future at the City of Surrey*

### SCOPE

Parks Facilities Services Team is looking to add a full-time Park Technician – Fabrication/Welding team member to their amazing growing team. City of Surrey is Canada’s Greenest Employer and we continue to strive to make this city a better place for our community.

### STATUS

Regular Full-Time (CUPE 402)

### RESPONSIBILITIES

In this position you will perform technical work in the planning, coordination and execution of maintenance and renovation activities, associated with metal fabrication and welding trades work. The Park Technician will perform hands-on field work in all weather conditions; perform fieldwork in accordance with accepted standards, techniques and practices; manage activities and projects within approved budgets; administer contracts as needed to achieve desired outcomes.

The successful candidate will be responsible for reading and interpreting plan drawings to accurately cut and shape metal pieces, using various welding techniques to join components together, performing quality checks on welds, assembling fabricated structures, and ensuring adherence to safety procedures while working with different types of metals and welding equipment. This would include, but not limited to, obtaining permits, restoration of parkland structures such as metal stairs and doors, chain-link fencing and backstops, gates and barriers, in addition to other trade related duties.

### QUALIFICATIONS

- Completion of a Diploma program from a recognized post-secondary institution, with a minimum of 3 years related experience, OR
- Completion of grade 12 supplemented by a relevant Trades Qualification supplemented by 3 years of related progressive experience, OR

INTEGRITY • SERVICE • TEAMWORK • INNOVATION • COMMUNITY

Help us build a world-class city. We are hiring talented innovators seeking meaningful work to drive our city - and their careers - forward.

Apply online at [www.surrey.ca/careers](http://www.surrey.ca/careers)

- Completion of grade 12 and a related Technical Certificate Program (one-year full time) from a recognized post-secondary institution with additional related academic courses and training including at least 1 credit course in each of supervision and technical writing supplemented by 4 years of related progressive experience.
- An acceptable equivalent combination of training and experience may be considered.

You also must have the following:

- A valid B.C. driver's license with a safe driving history.
- A Pesticide Applicator's License is required to be obtained before the completion of probation period.

You will use your advanced problem-solving skills to effect on-site resolution of project related challenges. Your thorough knowledge of applicable statutes and building code regulations will ensure your success in this role. Other responsibilities include maintaining accurate and up-to-date maintenance and project renovation records and files.

Applicants under consideration will be required to consent to a Police Information Check/Vulnerable Sector Check
