Penticton is a vibrant, innovative, healthy waterfront City focused on sustainability, community, and economic opportunity. At the City of Penticton, our goal is to serve our residents, businesses, and visitors through good governance, partnership and the delivery of effective and community-focused services.

The City of Penticton's **Fire Services Department** is looking to fill the position of **Fire Prevention Inspector I**. This is a responsible, technical and clerical position of relative complexity involving general fire prevention, inspections and fire investigations, and is immediately responsible to the Fire Inspection Officer and directly responsible to the Fire Chief. Although subject to the requirement of written orders, regulations and verbal directives from a superior(s), considerable latitude is permitted for independent judgment within authority invested.

An employee of this classification assists superiors in research and may be called upon to assist in training and instructing company officers and firefighters who have been assigned to and/or are carrying out company type fire prevention inspections in fire prevention techniques and procedures. They may also be called upon to train and instruct such officers and firefighters on subjects relative to fire investigation.

The successful incumbent may accompany fire suppression evolutions for the purpose of fire investigations, and for that purpose may request a company officer or firefighter in charge to put firefighters under their direction for the overhaul of the original and adjacent areas of fire, secure the area or building, witness the scene, interrogation, and removal of evidence. The incumbent will wear an SCBA (self-contained breathing apparatus) as operationally required.

Required Training, Experience and Education:

- Fire Service Instructor I (NFPA-1041-10)
- Fire Inspector I (NFPA-1031-10)
- BC Building Code: Part 3 Introduction (BCIT BLDG 1830)
- BC Fire Code for the Fire Service
- Fire Investigator: Fire Cause & Origin I
- Incident Command System 100

Required Knowledge, Abilities and Skills:

- Considerable knowledge of fire prevention, inspection methods and procedures, relative bylaws, codes and advisory reference materials, and Provincial and Federal Acts and Regulations pertaining thereto.
- Considerable knowledge of fire hazards, fire protective methods.
- Considerable knowledge of building construction.
- Considerable knowledge in the investigation of fire, techniques, methods and procedures thereto.
- Reasonable knowledge of specialized office methods and procedures.
- Ability to maintain office records and reports, prepare detailed reports and informational material.

Required Licenses and Certificates:

- Holder of a valid Class 5 Driver's license for the Province of British Columbia.

Desirable Training, Experience and/or Certifications

- Successful completion of Foundations of Collaborative Conflict Resolution.

At the City of Penticton, we recognize that great talent and great ideas come from a variety of backgrounds. Tapping into the diversity of our community makes us all stronger and allows us to serve Penticton even better.

That's why we welcome all applicants to consider joining our team. We encourage Indigenous persons, people of colour, all genders and expressions, 2SLGBTQIA+, persons living with disabilities, and others who reflect our ever-changing workplace to apply.

So, if your experience is close to what we're looking for, we would love a chance to talk about working with you. We welcome your cover letter and resume by **March 19, 2025**.

If you require any accommodations during the recruitment process, please contact us at HR@pentiction.ca, we'd be happy to hear from you!
