STUDENT ENGINEERING TECHNICIAN

Temporary Full Time Position (Approximately 4 months)

This vacancy is only available for students. Enrolment in a full time post secondary education program is mandatory.

The Engineering Department is seeking up an enthusiastic Student Engineering Technician to work on a variety of projects within the Transportation and Development Services Division. Typical tasks of the position will be assisting with ongoing strategic projects within the Engineering Department including analysis or data gathering, field observations and briefs, preparation of base plans for design projects, concept development, basic engineering calculations and other varied tasks within engineering in general. The incumbent will require personal communication skills to respond to inquiries from the public and good research skills in the field of Engineering and Project Management to develop new tools, templates and standards.

Requirements include completion of one year of post-secondary education in an Engineering Program at a University or Technical Institution; enrolment in a full time post-secondary education program is mandatory; valid B.C. Driver's Licence; physically fit to perform field duties; and one month work experience.

This is a C.U.P.E. Local 2011 position with a wage of \$31.22 per hour plus 15% in lieu of benefits. Job description and competition information can be found at www.saanich.ca. Please apply by 11:45 p.m. on Monday March 17, 2025 quoting competition 25061 to: Human Resources, District of Saanich, 770 Vernon Avenue, Victoria, BC, V8X 2W7 We thank all applicants for applying. Only those under consideration will be contacted.
