The Township of Langley is considered one of the fastest growing communities in British Columbia. While balancing our unique mix of urban growth and rural beauty, our community is committed to providing opportunities for business, housing, and recreational facilities, and services. As an employer, we offer competitive salaries, excellent benefit packages, and opportunities for continued professional development and career growth.

The Township of Langley is currently recruiting for a regular full-time **Manager, Engineering Services** to join our team of professionals in the Engineering Division. Reporting to the Director, Engineering, in this exempt position you will manage a wide range of engineering services across the division and other corporate divisions. This position leads the department, overseeing all functions from engineering design to construction, including leadership, consultant selection, program and project management, budgeting, and community consultation.

## Responsibilities

- Manage and deliver large capital projects of municipal infrastructure
- Provide survey services including topographic, construction and layout surveys
- Provide drafting services for capital projects and other departments
- Provide long-term planning and modelling for the municipal utility network
- Review and prepare applications and projects for environmental impacts
- Manage private utility and road extension projects
- Manage Langley Regional Airport infrastructure projects

## Qualifications

Your education will include a post-secondary degree in civil engineering or equivalent, plus a minimum of 7 years' experience in civil engineering with progressively more technical responsibilities and supervisory duties and at least 3 years work experience in the municipal sector.

## Required Certifications/Licenses

Candidates **must** have the following valid and **current** certifications/licenses (must be valid at the time the posting closes) and these **must** be attached with your application.

- BC Class 5 (full privilege) Driver's License. You must include with your application a current **Personal Driving Record (select the 5-year option if obtaining online)** that has been obtained within 6 months of the closing date. To obtain a copy of your **Personal Driving Record**, please contact ICBC directly or the driving authority where you reside. Please note that a copy of your Driver's License or Driver Factor Report **will not** be accepted.
- Registered Professional Engineer in the Province of British Columbia or an equivalent combination of training and experience (i.e. Eng. L)

Applications without the attached required documents above will be deemed incomplete and may not be considered. Please title your attachments with the number of this competition and have these documents ready to upload when you apply.
