About You / What We Are Looking For

The City of Coquitlam is currently recruiting for up to five Pool & Building Service Workers who will be responsible for manual work involving janitorial, custodial and minor building maintenance work performed on an assigned shift in an aquatic facility.

Main responsibilities

- Perform variety of janitorial and routine maintenance duties relating to swimming pools and aquatic buildings and equipment
- Carry out pool filtration and vacuuming duties as required

Duties are performed in accordance with established practices and procedures, but a Pool and Building Service Worker exercises considerable independence of action and initiative in the performance of routine duties on a day-to-day basis, referring complex or unusual problems to a superior who reviews work performance in terms of technical adequacy, conformance to established practices and procedures, and adherence to time schedules.

Desired Knowledge Skills and Abilities

- Considerable knowledge of materials, methods and equipment used in janitorial and custodial
- Considerable knowledge of the operating principles and procedures of water heating, boiling, filtration and chlorination equipment, and the methods, practices and materials used in the operation of indoor and outdoor swimming pools
- Working knowledge of plumbing and electrical systems applicable to the operation of the swimming pools and other park facilities
- Working knowledge of materials, methods and equipment used in building maintenance work and have the ability to operate, maintain and make minor repairs to equipment typically used in indoor and outdoor swimming pools
- Ability to prepare and maintain records related to the work
- Ability to establish and maintain effective relationships with staff, patrons and user groups
- Skill in the use of and care of a variety of tools and equipment used in the work
- Grade 10 supplemented by related janitorial and technical training
- Sound experience in the operation and maintenance of water heating, filtration, pumps, boilers and chlorination equipment, or an equivalent combination of training and experience.

Preferred Qualifications

- Grade 10 supplemented by related janitorial and technical training
- Experience in the operation and maintenance of water heating, filtration, pumps, boilers and chlorination equipment, or an equivalent combination of training and experience
- A driver's license for the Province of BC would be considered an asset.
- Ability to work weekends and graveyard (overnight) shifts.
