

## SUPERVISOR, LAND USE PLANNING

Regular Full-Time

Development Services / Planning & Development

### An Exciting Leadership Role in Our Planning & Development Department

#### About our community:

Boasting a high quality of life and standard of living, Prince George has all the amenities of a large city mixed with the friendliness and appeal of a smaller community. It is a regional centre for close to 326,000 people for shopping, education, health care, the arts, and sports. Prince George's central location in the province offers work/life balance with unparalleled access to four-season outdoor recreation activities that are complemented by a full range of urban amenities and a comprehensive transportation infrastructure that connects residents, businesses, resources, and agricultural products to markets around the world. And it is only a short drive to almost anywhere in Prince George – spend less time commuting and more time doing what matters most to you! Discover all these opportunities and more!

#### About our organization:

The City of Prince George is committed to ensuring a positive, well-balanced work environment for its employees. With opportunities for employee training, wellness programs and professional development the City of Prince George offers a safe and supportive workplace in which to serve our community.

#### About the opportunity:

The Supervisor, Land Use Planning is responsible for effectively supervising the planning function and for developing and implementing policies and bylaws related to current planning and land use management in Prince George. Areas of responsibility include the Official Community Plan, Neighborhood Plans, Zoning Bylaw, development permits, development variance permits, liquor licensing, agricultural land reserve, and other land use related applications. The Supervisor is further responsible for overseeing the efficient and professional operation of the front counter, permit and business licensing functions and has supervisory responsibility for unionized administrative staff. There is particular emphasis on business process analysis and improvement and supporting the implementation of software solutions to enhance services relied upon by the public.

#### About Your Background:

Along with a Postgraduate University Degree in Land use, Environmental or Regional Planning, geography, or related discipline, the ideal candidate has five years of related planning experience, including three years as a supervisor in a unionized environment. Previous experience with Land Use Planning and land use issues is required. Membership or eligibility for membership in the Canadian Institute of Planners is desirable. Your positive outlook and approach, along with your ability to handle a demanding workload and effectively meet deadlines makes you ideal for this role.

#### Why You Will Love Working for our Development Services team at the City of Prince George:

- Provide leadership to a professional team dedicated to quality and exceptional customer service.
- Enjoy a competitive salary range of \$102,965 - \$113,522 plus a comprehensive benefits and pension package.
