

## The opportunity

Leduc County is looking for an experienced and highly motivated Safety Codes Officer – Electrical to join our team. Reporting to Manager – Safety Codes, this exciting opportunity administers and enforces the Safety Codes Act and Regulations applicable to the electrical discipline, policies, procedures and legislation. Through managing priorities, the safety codes officer is a key contributor to the achievement of the department's operational deliverables.

## About you

You are a team and relationship builder who promotes a safe, collaborative and professional work environment. You are committed to continuous improvement, customer service, innovation and supporting Leduc County's vision of growing a vibrant and spirited community.

If you excel working under pressure, and if forward-thinking, problem-solving, strategic planning and quick adaptability to change is second nature to you, keep reading because we want to hear from you!

## What you will do

- Performs electrical inspections for compliance with the *Safety Codes Act* and Regulations, the Electrical Code Regulation, the Leduc County Quality Management Plan, policies, procedures, and any other relevant legislation.
  - Reviews design documents for compliance and documents any non-compliances.
  - Conducts site inspections and re-inspections, documenting code infractions, deficiencies, non-permitted work, and unsafe conditions.
  - Identifies corrective actions required to achieve code compliance, issues and follows-up on orders to comply.
  - Reviews alternative solution proposals and issues variances.
  - Reviews and accepts submitted signed verification of compliance (VOC).
  - Investigates complaints, unsafe conditions, and accidents.
  - Issues permits as required.
  - Issues verbal and written directives as needed.
- Provides internal and external clients with electrical code information and assistance.
- Maintains accurate records of plans, permits, correspondence, inspections, and reports.
- Assists Safety Codes Officers in the fire discipline with the investigation of fires suspected to be of electrical origin.

- Carries out special assignments and assists other department operations as required.
- Adheres to guidelines as set out in Leduc County's policies and administrative directives.
- Accountable for working in compliance with the *Alberta Occupational Health and Safety Act*, Regulation and Code and participation in the Health, Safety and Wellness Program.
- Performs related duties as required.

## What you need to succeed

### Must-have

- Safety Codes Officer certification (electrical) Group A.
- Five (5) years experience as a Safety Codes Officer (Electrical).
- Field experience and demonstrated knowledge of electrical installations in commercial/industrial buildings, oil and gas facilities/equipment and residential/farm buildings/sites.
- Must maintain Safety Codes Officer status with the Safety Codes Council.
- The ability to conduct and document inspections and prepare clear, concise reports.
- Proficiency with Microsoft Office suite of tools and familiarity with permitting software.
- A valid Alberta Class 5 Driver's license.

### Nice to have

- Safety Codes Officer certification (electrical) Group B.
- Master Electrician certification.
